

How to use the Esselte online catalogue

NEW: Navigator

Product images make it easy to navigate through the different product groups and search for specific items.

Search/ NEW: Advanced search

Enter a key word or item number, or use the „Advanced search“ function to restrict your search result.

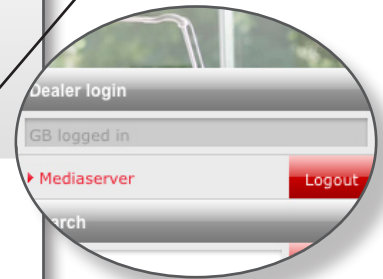

Login

To access additional information and functions especially for dealers, e.g. direct access to the Esselte Mediaserver.

Menu navigation

By product group overview

The screenshot shows the homepage of the Esselte online catalogue. At the top, there is a navigation bar with links for 'Shop information', 'Contact', 'Legend', and 'Legal information'. The Esselte logo is on the left, and a banner image of a woman talking on a phone is on the right. Below the banner, there is a 'Dealer login' section with a 'Go' button. A search bar is located below the dealer login, with 'Advanced search' and 'Dealer search' options. A 'New products' section is also visible, featuring a 'Find out about our new products.' link and several product listings with 'Details' links. A callout box on the left points to a vertical menu on the left side of the page, which lists product groups: 'Filing and Archiving', 'Desktop Accessories', 'Staplers and Hole Punches', 'Binding and Lamination', 'Presentation', 'Security Storage', and 'Computer Supplies'. Another callout box on the right points to a circular inset showing a 'Dealer login' form with a 'GB logged in' status, a 'Mediaserver' link, and a 'Logout' button. A third callout box at the bottom right points to the 'New products' section. The footer contains copyright information: '© '08-09 · Esselte UK Ltd. · Waterside House · Cowley Business Park · High Street, Cowley · Uxbridge, UBS 2HP · Tel: 08709090609 · Fax: 01895878901 · All rights reserved.'

NEW: Overview of new products now also displayed on the homepage.

Targeted searches using „Advanced search“

If you wish to find a specific product, you can set detailed search parameters and also sort the search result by certain criteria.

NEW: Navigator search

Navigator

Using the navigator, you can easily navigate to your chosen product group. The top menu bar displays which section you are currently in.

Expandable menu

Allows you to quickly navigate through the sub-product groups and return to the navigator..

The screenshots illustrate the user interface for navigating through product groups. The main view shows a 'Product group navigator' with a top menu bar indicating the current section. A callout shows a detailed view of a product group, '180° ACTIVE Prestige Lever Arch Files', with options to 'Show sub-product groups' and 'Product group navigator'. Another callout shows an expanded menu for '180° ACTIVE Prestige Lever Arch Files' with options to 'Hide sub-product groups', 'Filing and Archiving', 'Lever Arch Files', and '180° ACTIVE Prestige Lever Arch Files'. A 'Confirm selection' button is highlighted at the bottom of the main screenshot.

By clicking on „Confirm selection“, all product groups displayed can be selected at the same time.
